

Mission

To develop and support the GIS professional in Minnesota for the benefit of our state and its citizens.

Activities

- Annual conference in October
- Workshops and other professional development events
- Quarterly online newsletter: GIS/LIS News
- Bi-weekly e-mails about upcoming events and breaking news

Membership is free!

Members include GIS/LIS professionals from local, state, and federal government agencies; business and industry; educational institutions; and nonprofits. Anyone can become a member by signing up at our Web site: www.mngislis.org

Participate!

Consortium members are invited to share their work and ideas at the annual conference or in the quarterly newsletter. They can also volunteer to serve on committees and to help plan conferences and workshops. Such work makes a significant contribution and provides an opportunity to meet like-minded professionals. The Consortium is made possible by volunteers and everyone's participation is welcome.
